Press Release

Huntington Exploration Inc. Drilling Update at Pine Creek

May 2, 2006

Huntington Exploration Inc. ("Huntington") announces that drilling of the Pine Creek GPP 102/14-21-56-20W5M well commenced on April 29, 2006. The well is being drilled on joint interest lands in which Huntington has a 11.667% working interest. The well is the first of three wells planned this year to be drilled on joint interest lands at Pine Creek in which Huntington is participating.

Huntington Exploration Inc. is listed on the TSX Venture Exchange under the symbol "HEI".

This press release may contain forward-looking statements including management's assessment of future plans and operations and expectations of future production, cash flow and earnings. These statements are based on current expectations that involve a number of risks and uncertainties, which could cause actual results to differ materially from those anticipated. These risks include, but are not limited to: the risks associated with the oil and gas industry (e.g. operational risks in development, exploration and production; delays or changes in plans with respect to exploration or development projects or capital expenditures; the uncertainty of reserve estimates; the uncertainty of estimates and projections relating to production, costs and expenses and health, safety and environmental risks), commodity price and exchange rate fluctuation and uncertainties resulting from potential delays or changes in plans with respect to exploration or development projects or capital expenditures

The TSX Venture Exchange has neither approved nor disapproved the information contained herein.
